RISK MANAGEMENT WOEKSHOP

" WHY DO PATIENT'S COMPLAIN ? "

Topics For The Day :

The Complaint Prophylaxis.

The Art of Patient Communication : Managing Risks

By : Dr. S. Shashitharan
Senior Dental Practitioner & Special Interest In Clinical Risk Management Training

Learning Highlights :

- The Art Of Communication
- Managing Patient's Expectation
- Learn What To say When...And When NOT To Say Anything!
- Overpromise & Underdelivering Treatment
- " Doctor, I Want To Complain" Dealing With A Complain On Your Dental Chair

"Do We Really Know What We Don't Know?"

A Reflection On What We See, What We Miss & What We Could Do Better.

Mr. Japhire Gopi Kannan
CEO Doctor Shield (JA Assure Sdn Bhd)

Learning Highlights

- "What went wrong? " BUT! What if you ask yourself.... "What did I miss? " – recognising what we don't know may be the first step towards preventing the next complaint.
- Patient complaints are not always the result of poor clinical outcomes. Sometimes, they arise from what we failed to see, what we assumed, what we did not communicate or what the patient expected but we never fully understood.
- What could have been done differently ?

A Thought Provoking & Interactive Workshop

- Case Based Learning
- Group Discussions
- Quizzes
- White Board Discussion

Open To MDPC & Non MDPC Participants
